Dear Ms. Shea and Ms. Oehring:

This letter is to inform you of the United States Environmental Protection Agency's (EPA) decision to close the Administrative Order ("Order"), Docket No. SDWA-08-2001-12, issued to Teton County School District (the District) on March 20, 2001. The EPA has determined that you have complied with the requirements of the Administrative Order; therefore we will close the Order at this time.

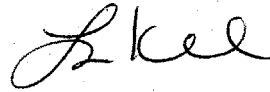

Please be aware that you are still required to comply with the National Primary Drinking Water Regulations ("NPDWR"), 40 C.F.R. part 141. Violation of the NPDWRs or an administrative order may subject you to a court-imposed injunction and penalties of up to \$32,500 per day of violation.
